

DIRECTORS:

Greg Douglas (0417) 947 056 – Director Shotcrete
Ronan O’Reilly (0411) 200 934 – Director Construction
Matthew Hicks (0417) 943 748 – Director Contracts

MISSION STATEMENT

“To provide high quality, fast, efficient, reliable and professional Geotechnical, Shotcrete & Civil Construction Solutions to Australasia.”

The Directors - Matthew Hicks, Greg Douglas and Ronan O’Reilly have a combined experience of over 50 years in all aspects of above and below ground:

- **geotechnical contracting**
- **shotcrete application**
- **civil construction**

The RIX Group have had ongoing contracts of shotcrete shoring, construction &/or geotechnical stabilisation packages with:

- **BHBB Cross City Tunnel - Construction**
- **Jindabyne Dam - Stabilisation works**
- **Shannon Creek Dam - Spillway Construction**
- **Endeavour Mine - Shaft Lining**
- **North Head S.T.P. - Hydroelectric Plant Construction**
- **RailCorp - Platform & Cutting Stabilisation**
- **BLL - Top Ryde Shopping Centre Redevelopment**
- **ARTC - Culvert Rehabilitation**
- **Narrabri Coal Project - Box Cut & Rail Loop**
- **North South By-Pass Tunnel Brisbane**
- **Sydney Water - Underground Works**
- **Chatswood Epping Rail Tunnel**
- **State Water - Rock Bolting**
- **Tallowa Dam - Fish Lift & Environmental Flow**
- **RTA - South Coats, Hunter**
- **Gosford City Council - Rock Hazard Reduction**

Works we have completed have always been to our client’s satisfaction and programme. It is with this level of quality and service that we offer you the same courtesy. Following is a list of some of our recent clients, for whom we have completed mutually rewarding contracts. These projects range from 50m² to 5000m²:

RECENT PROJECTS - SHOTCRETE CONTRACTING

Leighton Shannon Creek Dam Test panels, mat steel work, shotcrete application, concrete finishing, rock bolting,	Duration: 6 months Value \$2M
Parramatta Rail Link Works; steel work, rock bolting, shotcrete application with Robotic rig, civil construction	Duration: 9 months Value; \$3.5M
LBBJV – North South By Pass Tunnel – Brisbane Shotcrete application, Soil nails, shafts.	Duration: 1 year Value: \$2M
